

Wedding Bells Are Ringing

Creative Custom Ceremonies For All Occasions

Elopement Express: ‘Commitment Ceremony’

Dearly beloved, we are gathered here today, in the spirit of love and loyalty, to celebrate the union of you, <Partner A Full>, and you <Partner B Full>, as you ceremoniously declare your love and confirm your commitment to one another. Know that, in coming together today, you are committing yourselves exclusively, the one to the other, for as long as you both shall live.

What tokens of love and respect do you offer each other? (*Rings are presented to/by the couple*) Very good. Now, if you will, please turn to face one another and join hands as you prepare to exchange your vows and seal them with the giving and receiving of rings. <Partner A>, if you would, please place the ring on <Partner B>'s finger and repeat after me:

I, <Partner A>, take you, <Partner B>, as my life partner and best friend. I promise to stand by your side in times of sickness and good health, when we are filled with joy, and when we experience the sorrows of loss. I promise to never take you for granted, and to always give thanks for your presence in my life. With this ring, I pledge myself to you, to our union, and to our everlasting love.

<Partner B>, if you would, please place the ring on <Partner A>'s finger and repeat after me:

I, <Partner B>, take you, <Partner A>, as my life partner and best friend. I promise to stand by your side in times of sickness and good health; when we are filled with joy and when we experience the sorrows of loss. I promise to never take you for granted, and to always give thanks for your presence in my life. With this ring, I pledge myself to you, to our union, and to our everlasting love.

Inasmuch as you, <Partner A>, and you, <Partner B>, have pledged and sealed your vows by the giving and receiving of rings, it gives me great pleasure to pronounce that you are now partners for life. Congratulations! You may now kiss.
